Carts Along County Roads

County Road Departments would like to request that CDSI customers, who set their carts along the edge of rural county roads, please retrieve them as soon as possible after garbage has been picked up. This is a matter of safety for the general traveling public. The garbage carts can also be a problem to the snow and ice control responsibilities for the County. Thank you for your help with this issue!

Bagging Your Garbage Will Help Keep It In The Truck & Off The Street!!

PLEASE BAG YOUR GARBAGE!
